

AKI
your oil lamp

Styling your personal moments

AKI for your personal events

The lamps we use for this service are offered at discounted prices as they are the same you will find in the yearly sample sale.

AKI with tiny flaws, little air bubbles or imperceptible faults. Some of them naturally happen during the handcrafted process of mouth blowing. The hazard and the charme of handmade glass!

If you are a private consumer or a professional (wedding planner, stylist, interior decorator, event manager) you can use this service planning an event.

On the website the maximum allowed purchase is of 6 pcs for the same item for private use so we are offerering 3 event packages from which you may choose.

The rent service is currently available only in Italy and in the Czech Republic.

We are happy to hear about all your projects get back with a quote on the services you may require.

Best Wishes,

Laura & AKI team

Time & Place

Do you need your AKI to be delivered directly on site? Let us know ahead of time the place and date of the event. Whether it is indoor or outdoor so to provide you with the best service.

Payment and pick up

You are welcome to visit our offices to see and chose your lamps.

You can pass by to personally collect them. Alternatively, after the payment we deliver you the lamps with all information to enjoy them with your event. Rent service lasts 2 weeks and lamps must be returned at lastest 7 days after the event date.

Cleaning, packing and taking back

After the event lamps have to be returned empty (no oil inside) and with all metal wick holders clean, without used wicks.

The lamps have to sit in their original delivery pack in vertical position for taking or sending them back.

Any broken pieces will be counted and invoiced on return.

for PARTIES & Christmas

Parties and gatherings have their own themes and decorations, but gold and silver always add a festive touch.

Whether it's an intimate dinner or a large celebration, these colours will encourage happiness, merriment and joy.

on the TABLE

the lamp colours and all different finishings boost your creativity for many original table settings.

AKI can be used as little vases too to take a fresh green detail on your table.

along GARDEN PATH

and especially on pergolas, veranda, garden glass houses and porticos.

AKI are beautiful in open air but protected. The flickering flame, sometimes calm and sometimes agitated, is a discreet, living presence for evocative nights.

It brightens confidences shared by friends having dinner close to nature.
